Wasif Trading Company

PRODUCT LIST

Reliability is our priority

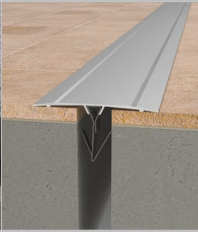

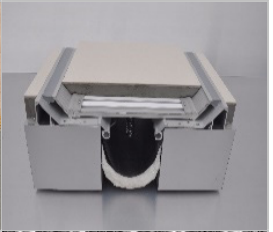

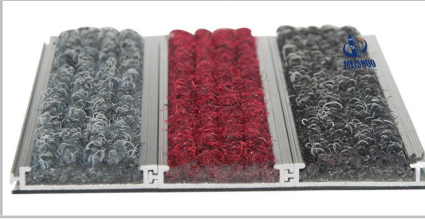

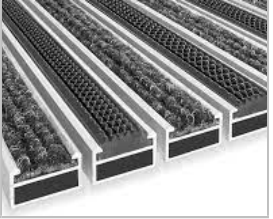

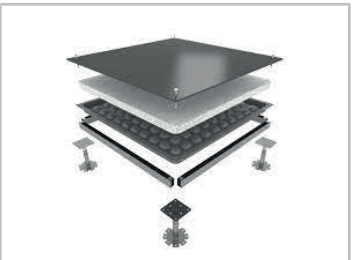

Wasif Trading Company - WTC, is a professional trading company that began operations in November 2022 by a group of enterprising individuals who have almost two decades of experience and unrivalled reputation of working in the field of architectural products. WTC provides consultancy services on projects and offers a one stop solution for all your requirements of metal & wooden doors and ironmongery, roll-up & sectional doors, flooring & wall solutions along with some other architectural finishing specialties.

WTC head office is located in Rakah, Dammam and it has operational branches in Riyadh and Jeddah. WTC is committed to best serve and support its clients, to adhere to quality technical practices and to focus on mutually beneficial collaboration with the leading industry suppliers.
